UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF CALIFORNIA

PHYLLIS CALLAHAN, on behalf of herself
and all others similarly situated in the State of
California,

Plaintiff,

vs.

VERTRUE INCORPORATED *et al.*,

Defendants.

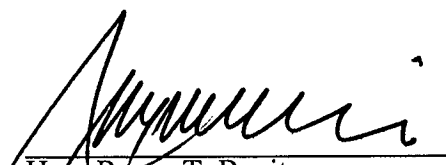

Case No. 09cv0236 BEN (POR)

ORDER DENYING MOTION
FOR A STAY

Plaintiff Phyllis Callahan commenced this putative class action against Defendants Vertrue Incorporated and Adaptive Marketing LLC in state court, alleging that Defendants participated in a telemarketing scam. After removal to this Court, the parties jointly moved for a stay pending a decision by the United States Judicial Panel on Multidistrict Litigation ("MDL") on a motion to consolidate this action with three other related actions under 28 U.S.C. § 1407. Dkt. No. 14. The parties do not explain why these actions are related. Nor do the parties establish that the MDL Panel will likely transfer this action to another district. As a result, their conclusory assertion that a stay will serve judicial economy is speculative at best. Accordingly, their motion for a stay is denied. *United Steelworkers of Am. v. Retirement Income Plan for Hourly-Rated Employees of ASARCO, Inc.*, 512 F.3d 555, 563 (9th Cir. 2008) (district courts enjoy broad discretion in deciding motions to stay).

IT IS SO ORDERED.
